Men will answer the Call

by the Master –, through Benjamin Creme, 8 November 2009

Since the dawn of time, man has asked himself the question: why am I here, what is the meaning of life? Despite the teachings of the various religions and those of holy men of the past, most people are baffled and unsure whether there is, indeed, any purpose or meaning in what we call 'life', and wonder likewise what experience, if any, awaits us after 'death'.

BREAKING NEWS!

Maitreya steps forward

The way prepared by His Herald the 'star', Maitreya, the World Teacher, has given His first interview on American television. Millions have heard Him speak both on TV and the internet.

His open mission has begun.

He was introduced not as Maitreya, the World Teacher and Head of our Spiritual Hierarchy, but simply as a man, one of us. In this way He "ensures that men follow and support Him for the truth and sanity of His ideas rather than for His status".

He spoke earnestly of the need for peace, achievable only through the creation of justice and the sharing of the world's resources.

This is the first of many such interviews which will be given in the USA, Japan, Europe and elsewhere, bringing His message of hope to the world.

In this coming time, the answers to these long-held worries and fears will become the common knowledge of all. This will in large measure be the result of the open presence of Maitreya and His Group of Masters. Your Elder Brothers will so stimulate the consciousness of men and so exemplify the teaching They give that in a relatively short period an enormous awakening will take place. Gone, for millions, will be the doubt and fear of the past. Men will know for sure, that they are, each one, engaged in a great adventure of discovery which will take them, in due course, to a perfection hitherto undreamed of. Such sense of meaning and purpose will replace the present arid and fearful doubt that an era of untold creativity and change will blossom and flourish. Thus will it be, and thus will men awaken to their destiny as exemplars of the divine. All men are divine but not all know this to be true. More and more, men will realize this truth and so change the world around them.

The Masters are readying Themselves for open recognition and work. Their presence will provide the confidence that the needed changes in our social life will be for the better and have long been necessary. The aim is that the Masters and men should work together in every field of endeavour,

and thus expedite the changes required.

The first priority is that war must be abandoned for ever, utterly, totally. This requires a degree of trust as yet not known in the world. Sharing alone, it will be found, will manifest the needed trust and so create justice worldwide. Until justice reigns, there will never be true peace. Step by step, men will come to see this logic.

They will come to understand that there is no alternative. If men would live and prosper they must abandon injustice and war. Can men meet the challenge?

about us

Share International (Australia) is a network of volunteers who work with similar groups worldwide.

Our purpose is to make known information about the emergence of the Spiritual Hierarchy and their concerns. These include realization by humanity of our divine nature; a world at peace; restoration of the environment; sharing of the world's resources; and adequate and appropriate food, housing, healthcare and education for all people.

We are not affiliated with any religious group; we respect the truth at the heart of – and common to – all spiritual traditions.

While the name Maitreya is used by others, their understanding of the World Teacher may not correspond to that presented by Share International.

Anyone presently promoting him - or herself as Maitreya or the World Teacher is definitely not the same individual we refer to.

Men will answer the Call *(continued from previous page)*

Men have faced and overcome many vicissitudes in their long sojourn on Earth. Today, led by Maitreya and His Group, they will be inspired to act for their own best interest and to answer the call for justice and sharing.

Many are the voices of the past which will call for caution and delay, but when men hear Maitreya's voice sound within their hearts, they will be kindled by a fiery longing for Justice and Peace, for Sharing and Right Relationship, for Brotherhood and Love.

Thus will it be.

The Master —, is a senior member of the Hierarchy (not Maitreya) of the Masters of Wisdom; his name, well-known in esoteric circles, is not yet being revealed for various reasons.

The 'Star' that Heralds Maitreya's Emergence

On 12 December 2008 Share International distributed a [news release](#) announcing that in the very near future a large, bright star would appear in the sky visible throughout the world, night and day, heralding the imminent appearance of Maitreya in His first interview on a major US television program.

Since early January 2009, sightings of the star have been reported from many parts of the world and hundreds of sightings have been sent to Share International.

Who is Maitreya?

Maitreya (pronounced my-tray-uh) is the personal name of the Head of the Spiritual Hierarchy.

He is expected by the world's major religions as the Messiah, Krishna, the Imam Mahdi, Maitreya Buddha, and the Christ. Although the names are different, they all refer to the same individual: Maitreya, the World Teacher.

An Avatar for the new age, He returns as the Teacher and guide for all humanity, religious and non-religious alike. He comes with His group, the Masters of Wisdom. Together, they will inspire humanity to create a brilliant new civilisation based on justice and sharing. He will launch a call to action to save the millions of people who starve to death every year in a world of plenty.

Among Maitreya's recommendations will be a shift in social priorities so that adequate food, housing, clothing, education, and medical care become universal rights. His open mission in the world is about to begin. As Maitreya himself has said: "Soon, now very soon, you will see my face and hear my words."

Messages from Maitreya

Between September 1977 and June 1982, British author and lecturer Benjamin Creme received a series of [140 Messages from Maitreya](#), the World Teacher.

These Messages were given during Creme's public lectures in London via a process of mental overshadowing or spiritual telepathy, which is not related to mediumship or channelling.

Through these communications, Maitreya suggests the lines that social change must take, and evokes the desire to share and serve humanity. He also gives hints on how to recognize him and urges people to make known the fact of his presence.

Message No. 1

September 6, 1977

My dear friends, it will not be long until you see My face.

When that time comes I shall take your hands in mine and lead you to Him Whom we serve together.

My Manifestation is complete and accomplished. I am, verily, in the world.

Soon you shall know Me, perhaps follow Me and love Me. My Love flows ever through you all. And that Love, which I hold for all mankind, has brought Me here.

My brothers and sisters, My Return to the world is a signal that the New Age, as you call it, has commenced. In this coming time, I shall show you beauties and wonders beyond your imaginings, but which are your birthright as sons of God. My children, My friends, I have come more quickly, perhaps, than you expected. But there is much to do, much that needs changing in the world. Many hunger and die, many suffer needlessly.

I come to change all that; to show you the way forward—into a simpler, saner, happier life—together. No longer man against man, nation against nation, but together, as brothers, shall we go forth into the New Country. And those who are ready shall see the Father's face.

May the Divine Love and Light and Power of the One God be now manifest within your hearts and minds. May this Light and Love and Power lead you to seek That which dwells always in your heart's centre. Find That, and make It manifest.

Background information

Benjamin Creme

Benjamin Creme, now 87, is a British artist and long-time student of esoteric philosophy.

For over 30 years, he has been the principal source of information about the emergence of Maitreya, the World Teacher and his group, the Masters of Wisdom.

Throughout his early years Creme studied various aspects of esoteric philosophy, in particular the teachings released in the late 1800s through Helena Blavatsky and the Theosophical Society, and more recently through Alice A. Bailey.

Although these teachings led him to believe in the existence of the Masters of Wisdom, it nevertheless came as a complete surprise to him when, in 1959, he was contacted by one of the Masters. He was told, among other things, that Maitreya, the World Teacher – the Master of all the Masters – would return in about 20 years and that he (Creme) would have a role to play in the event if he chose to accept it.

Since his first public talk in 1974, millions of people have heard Creme's message of hope, and many have been inspired to help make it known on a worldwide scale.

Benjamin Creme makes no claims about his own spiritual status.

Masters of Wisdom

The existence of the Masters of Wisdom was first disclosed to the West by H. P. Blavatsky as early as 1875. Since then others have come forward with further insights into their lives and teachings. Foremost among these is Alice A. Bailey who, in collaboration with one of the Masters, published nineteen books in the first half of the 20th century about the 'Ageless Wisdom' and the science of energies that underlie all life.

The Masters of Wisdom, together forming the Spiritual Hierarchy, are the custodians of the Divine Plan for this planet. They have inspired all the great human achievements, working from behind the scenes through their disciples in every field of endeavor. The Masters guide and teach, but it is humanity itself, responding of its own free will to their stimulus, which creates each new civilization. Today, the Masters are returning to the outer world as a group for the first time in countless millennia.

The Ageless Wisdom Teachings

From ancient times, a body of spiritual teaching known as the Ageless Wisdom has been handed down from generation to generation. A systematic and comprehensive account of the evolution of consciousness in man and nature, it describes how the universe came to exist, how it operates, and man's place within it.

The Ageless Wisdom has provided the inspiration for the arts and sciences throughout the ages and is also the common foundation of all the world's religions.

Transmission Meditation

Transmission Meditation is a group service activity which 'steps down' the great spiritual energies that continually stream into our planet. During transmission, the Masters of Wisdom direct these energies from the spiritual planes through the energy centers (chakras) of the group members in a highly scientific manner. This process, which makes the energies more useful to humanity and the other kingdoms in nature, is similar to that of electrical transformers, which step down the power between electrical generators and households.

Transmission Meditation is safe, scientific, non-denominational, and extremely potent. It will not interfere with any other religious or spiritual practice. In fact it will enhance your personal meditation and any other service activities in which you may be engaged. No special expertise in meditation is required in order to transmit energy.

There are more than 600 Transmission groups in 40 countries worldwide meeting on a regular basis.

PWR report

The Parliament of the World's Religions is the world's largest global interreligious event. It began in 1893 and is held every five years, bringing together renowned spiritual, religious, civic, academic, political and grassroots leaders.

In December 2009, the event was held in Melbourne, with Share International represented by Australian and New Zealand co-workers, both on and off site. The joy of seeing so many co-workers coming together for the first time was exciting. The love and respect for one another was mutual, the journey special.

At the conference the theme was similar... Justice, Peace and Harmony, and saving the Environment. The Dalai Lama's message was that the time for action has come... on poverty and on climate change. I also heard Rabbi Michael Lerner speak. He talked about a new Marshall plan to end global poverty, (a man to my heart). This plan involved placing pressure on governments to put 2% of GDP aside, which would then eliminate poverty. His plan certainly seems to fall under the message "Share and Save the World".

There were many genuine seekers present at this conference. It was like a fragrant breeze warming me with hope, and simply a pleasure to talk to like minded people.

Pasquo Cassetta gave a very moving presentation at our offsite venue, with the support of his wife Lisa, who spoke of their experiences with Maitreya, which were very powerful and amazing.

Seiji Funamoto and I set up the books and flyers, and we could feel an extremely potent energy surrounding us. We found out later the Master Jesus made an appearance! We were blessed indeed. Around the same time Maitreya visited the stand, and Louise, Val and Michael from New Zealand had a moving chat and tears flowed.

Local news – PWR report *(continued from previous page)*

These appearances have been confirmed by Benjamin Creme.

A special mention goes to Michael and Val who travelled from New Zealand and to Cheryl and Murray, Seiji and Marina, as they also travelled a long distance to attend the conference. We would also like to acknowledge the work of Louise, Valter and David, who made a huge contribution. This was a very successful week, which would not have been possible without the support of all those volunteers who assisted not only on site but behind the scenes. Thank you to all who assisted.

Let us hope that the unity displayed at this conference by all people reflects through the world in the near future... a sign of things to come.

With great love,
Antonio Palena

ABC Radio National's Rachael Kohn did an impromptu interview with David for her "[The Spirit of Things](#)" program. It aired on December 20, 2009.
