

## The Awakening

by the Master —, through Benjamin Creme, 9 February 2010

Now that Maitreya has stepped forward into the open arena of the world and has appeared several times in full view of the television cameras, we can take stock of what has been achieved so far and, to some extent, interpret the reaction of those who have seen and heard Him. Bear in mind that in these preliminary approaches to the public, Maitreya has been careful not to frighten away those He wishes to help by too great an emphasis on change, too drastic and radical a programme for renewal. While critical of our present practices in financial matters, bringing pain and hardship to millions, He praised men for their many achievements and their readiness to aspire to the creation of a better world.

The response, so far, could be classified as muted but thoughtful, echoing the quiet earnestness of Maitreya's thought. One must remember that Maitreya was presented as an ordinary man, one of us, and not as a Messiah figure from on high. Thus, reactions of men were natural and honest, a true reflection of their fears and hopes. Of course, reactions varied with the background of the viewer, but Maitreya is well pleased with the response thus far.

### Change

From this point on, Maitreya will 'step up' the need for urgent change, the necessity for peace based on justice and sharing. He will also focus attention on the plight of planet Earth and the responsibility of men for its problems. Thus will the Great Lord orchestrate a mounting crescendo of action for the re-establishment of our world and life.

Interviews of this kind will continue to be given around the world, awakening men everywhere to their opportunity to set to rights their life, to create justice and peace by sharing, to see themselves as One, to end forever the competition and greed which for so long has held men back from their destined path to divinity.

Thus will Maitreya coax men out of their long slumber and awaken their desire for change. Thus will grow a great informed World Public Opinion, the greatest force on Earth.

Against that mighty force no reactionary platform can stand. Humanity itself, inspired and vitalized by Maitreya, will reinvent their future, and through freedom and justice for all establish the Era of Goodwill and Manifested Love.

The Master —, is a senior member of the Hierarchy (not Maitreya) of the Masters of Wisdom; his name, well-known in esoteric circles, is not yet being revealed for various reasons.

### about us

Share International (Australia) is a network of volunteers who work with similar groups worldwide.

Our purpose is to make known information about the emergence of the Spiritual Hierarchy and their concerns. These include realization by humanity of our divine nature; a world at peace; restoration of the environment; sharing of the world's resources; and adequate and appropriate food, housing, healthcare and education for all people.

We are not affiliated with any religious group; we respect the truth at the heart of — and common to — all spiritual traditions.

While the name Maitreya is used by others, their understanding of the World Teacher may not correspond to that presented by Share International.

Anyone presently promoting him - or herself as Maitreya or the World Teacher is definitely not the same individual we refer to.

## Messages from Maitreya

Between September 1977 and June 1982, British author and lecturer Benjamin Creme received a series of [140 Messages from Maitreya](#), the World Teacher.

These Messages were given during Creme's public lectures in London via a process of mental overshadowing or spiritual telepathy, which is not related to mediumship or channelling.

Through these communications, Maitreya suggests the lines that social change must take, and evokes the desire to share and serve humanity. He also gives hints on how to recognize him and urges people to make known the fact of his presence.

Maitreya, as he appeared in June 1988 to a crowd in Nairobi, Kenya.

### Message No. 3 September 22, 1977

Good evening, My dear friends.

I am happy to be able to speak to you once more, and to tell you that I come to take you with Me into the New Country — the Country of Love, the Country of Trust, of Beauty and Freedom.

I shall take you there if you can follow Me, accept Me, let Me lead and guide.

And, if this be so, together we shall build a New World:

A world in which men can live without fear, without mistrust, without division; sharing together the Earth's bounty, knowing together the bliss of union with our Source.

All this can be yours.

You have only to take the first steps and I may lead.

Allow Me to help you.

Allow Me to show you the way — forward, into a simpler life where no man lacks; where no two days are alike; where the joy of Brotherhood manifests through all men.

Mine is the task to lead and guide, but you, willingly, must follow. Otherwise, I can do nothing. My hands are tied by Law.

The decision rests with mankind.

May the Divine Light and Love and Power of the One God be now manifest within your hearts and minds.

May this manifestation lead you to seek and to find That which dwells ever within you.

Identify with That and know God.

## The Three Major Spiritual Festivals

"The Three Spring Festivals provide a unique opportunity for groups around the world to establish together a potent rhythm. Throughout 24 hours, Hierarchy can link all working groups together into the global network of light which They are constantly creating and potentizing. There is also a powerful psychological factor involved, namely the added stimulus to aspiration and service which the celebration of these Festivals promotes." – Benjamin Creme, "Maitreya's Mission", Vol. III.

According to the Master DK: "...we begin a period of time in the year which initiates the countdown to the Spring Full Moon Festivals. From this time forward to the Spring Festivals, the Masters begin to develop and hold an internal tension which is then released at Festival time, and disciples are encouraged to do the same in cooperation with the Hierarchy, to the best of their abilities."

### Easter Festival (Aries)

*Friday, April 02 - Saturday, April 03, 2010*

The first festival of spring marks a process of rebirth and revitalization. It is celebrated at the full moon in Aries, after the vernal equinox, and usually occurs in April. In the Christian tradition, it is called Easter, the festival of resurrection. It celebrates the risen Christ, but resurrection implies more than the one-time arising from the grave of the physical body. In each minute of each hour, we have the possibility to be born anew, to let go of the past and move on. When old patterns of thought and emotion are discarded, when old habits and beliefs are outgrown and set aside, we are free to meet every new situation unconditionally. Higher energies rush in to fill the place of expectancy that we have created, and the inner light expands. We open to life more abundant and are made new.

### The Wesak Festival (Taurus)

*Friday, April 30 - Saturday, May 01, 2010*

The festival of Wesak occurs at the time of the full moon in Taurus, usually in May. In the East, it commemorates the enlightenment of the Buddha and is widely celebrated. Wesak marks the high-point in the spiritual year, for it is said that at this time each year, the Buddha returns to the physical plane for a brief moment, bringing an inflow of life and spiritual stimulation to vitalize all of humanity. Thousands of pilgrims gather every year in a remote valley in the Himalayas to re-enact an ancient sacred ceremony based on the legend of Wesak, which has to do with the sharing of the waters of life.

### Festival of the Christ/The Festival of Goodwill (Gemini)

*Friday, May 28 - Saturday, May 29, 2010*

This will be the Festival of the spirit of humanity aspiring towards God, seeking conformity with the will of God and dedicated to the expression of right human relations. This will be fixed annually in relation to the Full Moon of June. It will be a day whereon the spiritual and divine nature of mankind will be recognised. On this Festival for two thousand years the Christ has represented humanity and has stood before the Hierarchy and in the sight of Shamballa as the God-Man, the Leader of His people, and "the Eldest in a great family of brothers" (Romans VIII: 29). Each year at that time He has preached the last sermon of the Buddha, before the assembled Hierarchy. This will, therefore, be a festival of deep invocation and appeal, of a basic aspiration towards fellowship, of human and spiritual unity, and will represent the effect in the human consciousness of the work of the Buddha and of the Christ. (The Reappearance of the Christ, pp. 154~157)

### Blessings by Maitreya during the Spring Festivals

There will be a Blessing from Maitreya at 3:00 pm (your local time) on:

- ◆ Sunday April 04
- ◆ Sunday May 02
- ◆ Sunday May 30

For the Blessing, hold your attention on the Crown Chakra – the centre at the top of the head – (this is the only time that the attention should be placed on this centre) and sit in silent meditation while the energies flow.

## Transmission Meditation

Transmission Meditation is a group service activity which 'steps down' the great spiritual energies that continually stream into our planet. During transmission, the Masters of Wisdom direct these energies from the spiritual planes through the energy centers (chakras) of the group members in a highly scientific manner. This process, which makes the energies more useful to humanity and the other kingdoms in nature, is similar to that of electrical transformers, which step down the power between electrical generators and households.

Transmission Meditation is safe, scientific, non-denominational, and extremely potent. It will not interfere with any other religious or spiritual practice. In fact it will enhance your personal meditation and any other service activities in which you may be engaged. No special expertise in meditation is required in order to transmit energy.

There are more than 600 Transmission groups in 40 countries worldwide meeting on a regular basis.

### The Great Invocation

**From the point of Light within the Mind of God  
Let light stream forth into the minds of men.  
Let Light descend on Earth.**

**From the point of Love within the Heart of God  
Let love stream forth into the hearts of men.  
May Christ return to Earth.**

**From the centre where the Will of God is known  
Let purpose guide the little wills of men  
The purpose which the Masters know and serve.**

**From the centre which we call the race of men  
Let the Plan of Love and Light work out  
And may it seal the door where evil dwells.**

**Let Light and Love and Power restore the Plan on Earth.**

The Great Invocation is an ancient prayer, translated by Hierarchy into modern words. It was used by the Christ for the first time in 1945, at the same time as he announced his decision to emerge into physical contact with humanity. It was released by Him to humanity to enable man himself to invoke the energies which would change our world, and make possible the return of the Christ and Hierarchy. It has been translated into many languages and is used today in almost every country in the world.

The Great Invocation is used at the beginning of Transmission Meditation to invoke or call forth energy, which is then transmitted. It should be said aloud, with the attention focussed on the *ajna* centre between the eyebrows.

## Who is Maitreya?

Maitreya (pronounced my-tray-uh) is the personal name of the Head of the Spiritual Hierarchy.

He is expected by the world's major religions as the Messiah, Krishna, the Imam Mahdi, Maitreya Buddha, and the Christ. Although the names are different, they all refer to the same individual: Maitreya, the World Teacher.

An Avatar for the new age, He returns as the Teacher and guide for all humanity, religious and non-religious alike. He comes with His group, the Masters of Wisdom. Together, they will inspire humanity to create a brilliant new civilisation based on justice and sharing. He will launch a call to action to save the millions of people who starve to death every year in a world of plenty.

Among Maitreya's recommendations will be a shift in social priorities so that adequate food, housing, clothing, education, and medical care become universal rights. His open mission in the world is about to begin. As Maitreya himself has said: "Soon, now very soon, you will see my face and hear my words."

## The 'Star' that Heralds Maitreya's Emergence

*"In the very near future, people everywhere will have the opportunity to witness an extraordinary and significant sign, the like of which has been manifested only once before, at the birth of Jesus. Then, according to Christian teaching, a star appeared in the heavens and led three wise men from the East to the birthplace of Jesus. Soon, once again, a star-like luminary of brilliant power will be seen around the world."*

— Benjamin Creme's Master, 'Maitreya's first interview', SI Jan/Feb 2009.

On 12 December 2008 Share International distributed a [news release](#) announcing that in the very near future a large, bright star would appear in the sky, visible throughout the world, night and day, and that the star heralds the imminent appearance of Maitreya in His first interview on a major US television program.

The 'star' is really one of four enormous spacecraft placed around the world. Since early January 2009, numerous sightings of the 'star' from many parts of the world have been reported on YouTube and television news programmes. Share International magazine has received hundreds of photographs showing the 'star' in a variety of stunning colours and shapes.

Share International has produced a 10 minute video called The 'Star' Sign, which is now available on YouTube. The new video contains vivid photographs, video footage and media reports from Brazil, Colombia, Sky News, and a clip from a Benjamin Creme lecture. Viewers can see how the 'star' moves, changes shape and emits rays of brilliant colours.

## Books by Benjamin Creme

Since 1980, Benjamin Creme has published 14 inspiring and provocative books, painting an ever more detailed picture of humanity's destiny, both worldly and spiritually. "We are talking about nothing less than the total transformation of every aspect of our lives", he says. Each book covers a vast range of topics: from meditation and the growth of consciousness to political and economic change; from initiation and group work to ecology and world service. Compelling explanations are offered for the ever-increasing 'miraculous' or unexplained phenomena such as weeping Madonnas, crosses of light, healing waters, crop circles and UFOs.

### The Art of Living: Living within the Laws of Life

215 pages (June 2006)

In Part One, 'The Art of Living', the idea is presented that living is an art, as is painting or music. Like painting and music or any other art, therefore, living requires the understanding of and adherence to the laws and rules under which the art can flourish. This essentially new concept of living relates it to the great Law of Cause and Effect (the Law of Karma in the East) and the connected Law of Rebirth, the basic laws of our planetary existence. The correct understanding and following of these two laws are prerequisites for the creation of harmlessness in every sphere of our lives and thus also for the creation of right human relations, itself the prerequisite for human happiness. It is by the outer expression of the indwelling human soul through the intuition that this is finally achieved. We are entering an era in which great new energies will become available to us for such a flowering of the arts of all kinds, above all the art of living.

Part Two is titled 'The Pairs of Opposites'. Historically, the evolution of humanity would seem to be one of almost constant warfare, aggression and hatred. With the discovery of the atomic bomb we have perfected our ability to destroy each other in large numbers and at great distances. Is this destructiveness, then, the true, essential nature of man? And if not, why has he behaved so consistently as if it were?

The answer lies in man's unique position in the evolution of the kingdoms on Earth, the meeting point of spirit and matter. Man, in essence, is an immortal soul, divinely perfect, immersed in matter. For long ages in the incarnational process, the inertia of the matter aspect precludes any significant expression of the soul's perfection. Eventually, the innate aspiration of man draws him upwards and onwards until the two poles of his nature gradually come together and are resolved in total union.

Then the perfected man realizes that the dichotomy between spirit and matter – their apparent opposition – is only seeming, in fact, illusion. He sees that they are different aspects of one perfect, divine Whole.

The long struggle to reach this revelation generates the friction and fire necessary for the journey, his aspiration lights for him the way. Thus does man fulfil his destined role on planet Earth: the spiritualization of matter.

Part Three covers the illusions of individuals, nations, governments and groups of all kinds. Wherever and whenever people misinterpret reality, through ignorance and spiritual short-sightedness, they create a block to the soul's vision, and live in illusion. The use of the intuition, a faculty of the soul, is seen as the only instrument that can clear the mental body of illusion. This requires a deepening of soul contact which is developed by correct meditation, mind control and a more intelligent understanding and practice of the laws of life. These are now being engaged in by growing numbers of people, and will lead eventually, under the stimulus of the Masters, to the freeing of humanity from the fogs of illusion.

## Maitreya's appearances and the healing waters

For many years Maitreya made regular appearances to religious gatherings around the world which Share International reported each month. He would appear to groups from all religious traditions and was often recognized as the Teacher they awaited (Christ; the Messiah; Maitreya Buddha; the Imam Mahdi; Krishna). He spoke for some 15 to 20 minutes and then disappeared as miraculously as He had appeared.

Each appearance was usually accompanied by another miracle: Maitreya charged (magnetized) a deep, inexhaustible water source in the locality with extraordinary healing properties. The first such water source to be discovered was at Tlacote in Mexico, in 1991. Within months news spread of amazing miracle cures, and tens of thousands of people queued daily for the water. Similar healing wells were discovered at Nordenau, Germany, and Nadana, India, both of which attracted thousands of visitors, many of whom reported miracle cures.

Eventually a worldwide network of 777 healing water sources will be discovered, in a sequence to be determined by Maitreya. The waters will help cure humanity's many ailments, boost the immune system, and purify the physical body. In 1993 Tlacote water was used to make a homoeopathic remedy from which thousands worldwide now benefit. Water from the Nordenau grotto has also been made into a homeopathic remedy.

*"Maitreya goes all over the world creating healing waters. The most important thing is that a network is being created throughout the world, energetically linked together; a network of "the Waters of Life". In the Bible, Jesus said: "I am come that men might have life, and that life more abundantly". Maitreya has repeated that statement, and the "life more abundantly" is, precisely, the Waters of Life of Aquarius. These flow on the physical plane through these wells and water sources, on the emotional-astral planes, the mental planes and the spiritual planes. Maitreya said in one of His many Messages: "On all the planes this Life will flow, reaching the hearts and souls and bodies of men, bringing them nearer to the Source of Life itself" (Message No 42), thus creating new life and new experience for humanity, inevitably bringing about tremendous changes in consciousness, and also curing the physical ills, strengthening the physical body, of humanity. Our bodies are weakened at the present time by pollution, a number one disease-producing factor. Pollution of the air, the waters and*

*the soil is slowly poisoning humanity, and there will be change only when we end the misuse of the resources of the planet, implement the principle of sharing and so create new balance, equilibrium, in the world."*

– Benjamin Creme, "Maitreya's Mission Vol. III".

The Waters of Life created by Maitreya work on restoring the natural energetic balance of the body. The cosmic energies of Aquarius, with which the waters have been charged, strengthen the cellular structure of the body and act as a general tonic. It almost does not matter what the disease is. If your Karma allows, the cure or amelioration will take place and on a wider margin of karma than would normally be the case. In many cases using the water or homoeopathic pill results in an immediate or gradual improvement of the condition.

## Background information

### Benjamin Creme

Benjamin Creme, now 87, is a British artist and long-time student of esoteric philosophy.

For over 30 years, he has been the principal source of information about the emergence of Maitreya, the World Teacher and his group, the Masters of Wisdom.

Throughout his early years Creme studied various aspects of esoteric philosophy, in particular the teachings released in the late 1800s through Helena Blavatsky and the Theosophical Society, and more recently through Alice A. Bailey.

Although these teachings led him to believe in the existence of the Masters of Wisdom, it nevertheless came as a complete surprise to him when, in 1959, he was contacted by one of the Masters. He was told, among other things, that Maitreya, the World Teacher – the Master of all the Masters – would return in about 20 years and that he (Creme) would have a role to play in the event if he chose to accept it.

Since his first public talk in 1974, millions of people have heard Creme's message of hope, and many have been inspired to help make it known on a worldwide scale.

Benjamin Creme makes no claims about his own spiritual status.

### Masters of Wisdom

The Masters of Wisdom are people like us, who have gone before us in evolution. Together forming the Spiritual Hierarchy, they are the custodians of the Divine Plan for this planet. They have inspired all the great human achievements, working from behind the scenes through their disciples in every field of endeavor. The Masters guide and teach, but it is humanity itself, responding of its own free will to their stimulus, which creates each new civilization.

Today, the Masters are returning to the outer world as a group for the first time in countless millennia.

The existence of the Masters of Wisdom was first disclosed to the West by H. P. Blavatsky as early as 1875. Since then others have come forward with further insights into their lives and teachings. Foremost among these is Alice A. Bailey who, in collaboration with one of the Masters, published nineteen books in the first half of the 20th century about the 'Ageless Wisdom' and the science of energies that underlie all life.

### The Ageless Wisdom Teachings

From ancient times, a body of spiritual teaching known as the Ageless Wisdom has been handed down from generation to generation. A systematic and comprehensive account of the evolution of consciousness in man and nature, it describes how the universe came to exist, how it operates, and man's place within it.

The Ageless Wisdom has provided the inspiration for the arts and sciences throughout the ages and is also the common foundation of all the world's religions.

## Local news

I would like to acknowledge the contribution of Leo Drioli, Editor of InnerSelf magazine, who has kindly published an article for free on Maitreya's first interview. Leo has been more than helpful with the Reappearance work in the past, and I cannot thank him enough.

[InnerSelf magazine](#) is a free quarterly magazine focussing on body, mind and spirit, with a circulation of 297,000 Australia wide. It is also available online.

We are looking at promoting 'The Art of Living' book and getting this book into public libraries and even the spiritualist churches around Australia. The beauty about this book we feel is that the information might be more acceptable to the mainstream than 'The Reappearance' book, and so have a better chance of entering libraries and not being sold or thrown out.

If you would like to assist in getting 'The Art of Living' into your local library please contact me for more information. — With Great Love, Antonio.

## Vic. news

We held a stand at a spiritual festival in Ballarat two weeks ago. The interest in the stand and the information which Eva and I gave away was good. I interacted with a few people and talked about Maitreya. One person already knew about Benjamin Creme and the Reappearance work and asked a few questions about Maitreya. We also held a public talk with about 10-12 people attending. In the end it was a good day for the Reappearance work.

We will be attending another spiritual festival on Sunday, March 28 in **Chadstone** at the [Jordanville Community Centre, Batesford Reserve, Batesford Road](#). — Valter.

Also on Sunday, March 28, Louise will be attending the Palm Sunday Peace Rally in Melbourne and handing out information, including '[The Path to Peace and Justice](#)' brochure.

## Qld. news

On September 25, 2009, a Rosewood resident discovered a crop circle on his property. It consisted of one large circle, about three metres in diameter surrounded by six smaller circles. Benjamin Creme has confirmed that it was created by space brothers from Mars. — Erin.
