

Maitreya speaks

by the Master —, through Benjamin Creme, 14 March 2010

With every week that passes, the words and thoughts of Maitreya resonate in the minds of millions of people who know not the source of these inspiring ideas and hopeful concepts. Many ponder deeply on their meaning and vision and are strangely comforted. Others feel enabled and energized, filled with fresh courage and resolve. Still others wonder who this man can be, so simple and relaxed, yet wonderfully wise. Many are the feelings of delight and love that His appearances have wrought.

Of course, not all have found His ideas attractive, or if attractive, certainly utopian and unobtainable. Large numbers are cautious and slightly anxious, fearful that He may be the one they have been taught most to fear: simple and unassuming, wrapped in an aura of goodness and love.

Thus do the many types and levels of men make known their stance and readiness for change.

Masters

Meanwhile, the Masters prepare Their groups for the time immediately ahead. Men and women of every country are being brought together and trained for the tasks which await their skills and altruistic service. They know the needs of the new world and the priorities of action. Service is the key. When the call from Maitreya and men everywhere rings out, these valiant ones will arise in thousands to meet the challenge. Thus will begin a movement which, gathering momentum, will soon cover, and remake, the world.

The needs of every aspect, one by one, will be addressed: the feeding of millions, starving or near, through the production and distribution of food; the slow asphyxiation of humanity by deforestation; the overcoming of global warming; the ending of the "invisible peril"; the ending of the political/economic impasse; the resolution of left versus right political systems. Each of these enormous tasks requires solutions. Each is urgent but the priorities are that no one should go hungry in a world of plenty, and that our planet is sorely in need of succour.

Impact

Soon, the impact of Maitreya's ideas will begin to be seen. Already many, worldwide, respond to His influence, directly or otherwise. More and more, the impact of His thought will clarify the tangle of interests which today take 'centre stage' in public debate, and the needs of every man and family will emerge as the central core of humanity's problems.

Even now, in many countries, there is emerging a new sense of the need to rethink everything, root and branch, and the concepts of sharing, justice and fairness are growing apace. As the scope of Maitreya's appearances widens, these ideas can only be expected to flourish and grow.

Thus the conscience of men is awakening and moving in the direction of right relationship. Thus, simply and calmly, does the Great Lord work to purify and sanctify the affairs of men.

The Master —, is a senior member of the Hierarchy (not Maitreya) of the Masters of Wisdom; his name, well-known in esoteric circles, is not yet being revealed for various reasons.

about us

Share International Australia is a network of volunteers who work with similar groups worldwide.

Our purpose is to make known information about the emergence of the Spiritual Hierarchy and their concerns. These include realization by humanity of our divine nature; a world at peace; restoration of the environment; sharing of the world's resources; and adequate and appropriate food, housing, healthcare and education for all people.

We are not affiliated with any religious group; we respect the truth at the heart of — and common to — all spiritual traditions.

While the name Maitreya is used by others, their understanding of the World Teacher may not correspond to that presented by Share International.

Anyone presently promoting him - or herself as Maitreya or the World Teacher is definitely not the same individual we refer to.

*Without sharing there
can be no justice;*

*without justice there
can be no peace;*

*without peace, there
can be no future.*

Messages from Maitreya

Between September 1977 and June 1982, British author and lecturer Benjamin Creme received a series of [140 Messages from Maitreya](#), the World Teacher.

These Messages were given during Creme's public lectures in London via a process of mental overshadowing or spiritual telepathy, which is not related to mediumship or channelling.

Through these communications, Maitreya suggests the lines that social change must take, and evokes the desire to share and serve humanity. He also gives hints on how to recognize him and urges people to make known the fact of his presence.

Maitreya, as he appeared in June 1988 to a crowd in Nairobi, Kenya.

Message No. 4

September 29, 1977

My dear friends, I am pleased indeed to be able to speak to you once more in this fashion.

Many await My Coming with reverence and also with some fear.
This is inevitable.

My Coming will mean the end of the old order of things.
All that is useless, no longer serving the purposes of man, can now be discarded.

This will cause many to grieve but so it must be.

My friends, My children, I am here to show you that there exists for man a most marvellous future.
Decked in all the colours of the rainbow, glowing with the Light of God, man, one day, will stand upright in his divinity.
This I promise you.

I am a simple Man, and simply I make My Appeal to you:
Trust Me, follow Me, let Me take you into the future time,
on the basis of Love,
on the basis of Sharing,
on the basis of Brotherhood.

Let Me show you the way into that state of simple interdependence, of justice, correct alignment with your Source and your brothers.

Many will heed Me, but not all.
Nevertheless, My Army of Light will surely triumph.

Many will see Me soon and know Me not.
Many will see Me soon and recognise Me.
They are My people.
Be you one of them.

My heart flows with Love for you all.

May the Divine Light and Love and Power of the One God be now manifest within your hearts and minds.
May this manifestation lead you to seek and to know that Self which is God.

Transmission Meditation

Transmission Meditation is a group service activity which 'steps down' the great spiritual energies that continually stream into our planet. During transmission, the Masters of Wisdom direct these energies from the spiritual planes through the energy centers (chakras) of the group members in a highly scientific manner. This process, which makes the energies more useful to humanity and the other kingdoms in nature, is similar to that of electrical transformers, which step down the power between electrical generators and households.

Transmission Meditation is safe, scientific, non-denominational, and extremely potent. It will not interfere with any other religious or spiritual practice. In fact it will enhance your personal meditation and any other service activities in which you may be engaged. No special expertise in meditation is required in order to transmit energy.

There are more than 600 Transmission groups in 40 countries worldwide meeting on a regular basis.

The Great Invocation

**From the point of Light within the Mind of God
Let light stream forth into the minds of men.
Let Light descend on Earth.**

**From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.**

**From the centre where the Will of God is known
Let purpose guide the little wills of men
The purpose which the Masters know and serve.**

**From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.**

Let Light and Love and Power restore the Plan on Earth.

The Great Invocation is an ancient prayer, translated by Hierarchy into modern words. It was used by the Christ for the first time in 1945, at the same time as he announced his decision to emerge into physical contact with humanity. It was released by Him to humanity to enable man himself to invoke the energies which would change our world, and make possible the return of the Christ and Hierarchy. It has been translated into many languages and is used today in almost every country in the world.

The Great Invocation is used at the beginning of Transmission Meditation to invoke or call forth energy, which is then transmitted. It should be said aloud, with the attention focussed on the *ajna* centre between the eyebrows.

Who is Maitreya?

Maitreya (pronounced my-tray-uh) is the personal name of the Head of the Spiritual Hierarchy.

He is expected by the world's major religions as the Messiah, Krishna, the Imam Mahdi, Maitreya Buddha, and the Christ. Although the names are different, they all refer to the same individual: Maitreya, the World Teacher.

An Avatar for the new age, He returns as the Teacher and guide for all humanity, religious and non-religious alike. He comes with His group, the Masters of Wisdom. Together, they will inspire humanity to create a brilliant new civilisation based on justice and sharing. He will launch a call to action to save the millions of people who starve to death every year in a world of plenty.

Among Maitreya's recommendations will be a shift in social priorities so that adequate food, housing, clothing, education, and medical care become universal rights. His open mission in the world is about to begin. As Maitreya himself has said: "Soon, now very soon, you will see my face and hear my words."

Maitreya steps forward

The way prepared by His Herald the 'star', Maitreya, the World Teacher, has given His first interview on American television. Millions have heard Him speak both on TV and the internet.

His open mission has begun.

He was introduced not as Maitreya, the World Teacher and Head of our Spiritual Hierarchy, but simply as a man, one of us. In this way He "ensures that men follow and support Him for the truth and sanity of His ideas rather than for His status".

He spoke earnestly of the need for peace, achievable only through the creation of justice and the sharing of the world's resources.

This is the first of many such interviews which will be given in the USA, Japan, Europe and elsewhere, bringing His message of hope to the world.

—Benjamin Creme made this announcement at his public lecture at Friends House, Euston Road, London, on 14 January 2010.

Please note: Share International has no further details about this interview (date, time, network, etc.), for the following reason: it is very important that everyone has the opportunity to respond to Maitreya because they want for the world what He is advocating — sharing, justice and peace — rather than because they think He may be the World Teacher.

UPDATE

Maitreya has now given nine interviews. So far, they have all been in the US, on the same television channel, usually accompanied by an internet broadcast. The interviews last on average for half an hour.

The 'Star' that Heralds Maitreya's Emergence

"In the very near future, people everywhere will have the opportunity to witness an extraordinary and significant sign, the like of which has been manifested only once before, at the birth of Jesus. Then, according to Christian teaching, a star appeared in the heavens and led three wise men from the East to the birthplace of Jesus. Soon, once again, a star-like luminary of brilliant power will be seen around the world."

– Benjamin Creme's Master, 'Maitreya's first interview', SI Jan/Feb 2009.

On 12 December 2008 Share International distributed a [news release](#) announcing that in the very near future a large, bright star would appear in the sky, visible throughout the world, night and day, and that the star heralds the imminent appearance of Maitreya in His first interview on a major US television program.

The 'star' is really one of four enormous spacecraft placed around the world. Since early January 2009, numerous sightings of the 'star' from many parts of the world have been reported on YouTube and television news programmes. Share International magazine has received hundreds of photographs showing the 'star' in a variety of stunning colours and shapes.

Share International has produced a 10 minute video called The 'Star' Sign, which is now available on YouTube. The new video contains vivid photographs, video footage and media reports from Brazil, Colombia, Sky News, and a clip from a Benjamin Creme lecture. Viewers can see how the 'star' moves, changes shape and emits rays of brilliant colours.

Media reports of the 'star'

A mysterious light in the skies of Cleveland, Ohio USA has created a lot of media interest, with substantial reports on MoxNews and Fox8News. On 12 March MoxNews reported that a light had been seen for the ninth night in a row around the same place and time, sometimes staying for several hours.

An eye-witness, Eugene Erlikh said, "Absolutely nothing we have on this earth even looks like that." He added, "It was such a brilliant beam of different lights, it was going red yellow, green, blue. It was never the same colour, it was always like it was pulsating", and "Why are they here? Why do they keep coming back at the same time, to the same area?"

Editor's note: The description of the object's appearance is remarkably similar to descriptions of the 'star' by Benjamin Creme. Benjamin Creme's Master confirms that the object was the 'star' and that UFOs from Mars were also present. – Share International magazine, April 2010.

The Three Major Spiritual Festivals

"The Three Spring Festivals provide a unique opportunity for groups around the world to establish together a potent rhythm. Throughout 24 hours, Hierarchy can link all working groups together into the global network of light which They are constantly creating and potentizing. There is also a powerful psychological factor involved, namely the added stimulus to aspiration and service which the celebration of these Festivals promotes." – Benjamin Creme, "Maitreya's Mission", Vol. III.

According to the Master DK: "...we begin a period of time in the year which initiates the countdown to the Spring Full Moon Festivals. From this time forward to the Spring Festivals, the Masters begin to develop and hold an internal tension which is then released at Festival time, and disciples are encouraged to do the same in cooperation with the Hierarchy, to the best of their abilities."

Easter Festival (Aries)

Friday, April 02 - Saturday, April 03, 2010

The first festival of spring marks a process of rebirth and revitalization. It is celebrated at the full moon in Aries, after the vernal equinox, and usually occurs in April. In the Christian tradition, it is called Easter, the festival of resurrection. It celebrates the risen Christ, but resurrection implies more than the one-time arising from the grave of the physical body. In each minute of each hour, we have the possibility to be born anew, to let go of the past and move on. When old patterns of thought and emotion are discarded, when old habits and beliefs are outgrown and set aside, we are free to meet every new situation unconditionally. Higher energies rush in to fill the place of expectancy that we have created, and the inner light expands. We open to life more abundant and are made new.

The Wesak Festival (Taurus)

Friday, April 30 - Saturday, May 01, 2010

The festival of Wesak occurs at the time of the full moon in Taurus, usually in May. In the East, it commemorates the enlightenment of the Buddha and is widely celebrated. Wesak marks the high-point in the spiritual year, for it is said that at this time each year, the Buddha returns to the physical plane for a brief moment, bringing an inflow of life and spiritual stimulation to vitalize all of humanity. Thousands of pilgrims gather every year in a remote valley in the Himalayas to re-enact an ancient sacred ceremony based on the legend of Wesak, which has to do with the sharing of the waters of life.

Festival of the Christ/The Festival of Goodwill (Gemini)

Friday, May 28 - Saturday, May 29, 2010

This will be the Festival of the spirit of humanity aspiring towards God, seeking conformity with the will of God and dedicated to the expression of right human relations. This will be fixed annually in relation to the Full Moon of June. It will be a day whereon the spiritual and divine nature of mankind will be recognised. On this Festival for two thousand years the Christ has represented humanity and has stood before the Hierarchy and in the sight of Shamballa as the God-Man, the Leader of His people, and "the Eldest in a great family of brothers" (Romans VIII: 29). Each year at that time He has preached the last sermon of the Buddha, before the assembled Hierarchy. This will, therefore, be a festival of deep invocation and appeal, of a basic aspiration towards fellowship, of human and spiritual unity, and will represent the effect in the human consciousness of the work of the Buddha and of the Christ. (The Reappearance of the Christ, pp. 154~157)

Blessings by Maitreya during the Spring Festivals

There will be a Blessing from Maitreya at 3:00 pm (your local time) on:

- ◆ Sunday April 04
- ◆ Sunday May 02
- ◆ Sunday May 30

For the Blessing, hold your attention on the Crown Chakra – the centre at the top of the head – (this is the only time that the attention should be placed on this centre) and sit in silent meditation while the energies flow.

Books by Benjamin Creme

Since 1980, Benjamin Creme has published 14 inspiring and provocative books, painting an ever more detailed picture of humanity's destiny, both worldly and spiritually. "We are talking about nothing less than the total transformation of every aspect of our lives", he says. Each book covers a vast range of topics: from meditation and the growth of consciousness to political and economic change; from initiation and group work to ecology and world service. Compelling explanations are offered for the ever-increasing 'miraculous' or unexplained phenomena such as weeping Madonnas, crosses of light, healing waters, crop circles and UFOs.

Transmission: A Meditation For The New Age

212 pages (5th edition, June 2006)

The next step in today's 'spiritual revolution' is putting the gains of personal development to work for the world, says Benjamin Creme. In a new, expanded 5th edition of his book, *Transmission: A Meditation for the New Age*, Creme explains that the time is past to focus on one's own spiritual progress without engaging in some form of service. Transmission Meditation, he says, is the simplest way to do both — at the same time.

Transmission Meditation is a group service activity which 'steps down' the great spiritual energies that continually stream into our planet, focused by the Masters of Wisdom — our 'Elder Brothers'. This process, which makes the energies more useful to humanity, is like that of electrical transformers that step down the power between generators and household outlets. These transformed spiritual energies, Creme explains, are gradually uplifting all life forms and changing our world for the better.

"What is unique about this work," says Creme, "is its simplicity. It is a perfect vehicle for the aspirations of very busy people. It is safe, highly scientific, non-denominational, free of any charge, and unbelievably potent. It is a service in which we can involve ourselves for the rest of our lives and know that we are helping in the great transformation to a more just and compassionate world. At the same time I know of no other form of service which makes for such far reaching and fast spiritual growth."

The preface includes Creme's extraordinary account of his 40-year collaboration with a Master of Wisdom, and how it led to his primary work of preparing the way for Maitreya, World Teacher for the coming age.

Background information

Benjamin Creme

Benjamin Creme, now 87, is a British artist and long-time student of esoteric philosophy.

For over 30 years, he has been the principal source of information about the emergence of Maitreya, the World Teacher and his group, the Masters of Wisdom.

Throughout his early years Creme studied various aspects of esoteric philosophy, in particular the teachings released in the late 1800s through Helena Blavatsky and the Theosophical Society, and more recently through Alice A. Bailey.

Although these teachings led him to believe in the existence of the Masters of Wisdom, it nevertheless came as a complete surprise to him when, in 1959, he was contacted by one of the Masters. He was told, among other things, that Maitreya, the World Teacher – the Master of all the Masters – would return in about 20 years and that he (Creme) would have a role to play in the event if he chose to accept it.

Since his first public talk in 1974, millions of people have heard Creme's message of hope, and many have been inspired to help make it known on a worldwide scale.

Benjamin Creme makes no claims about his own spiritual status.

Masters of Wisdom

The Masters of Wisdom are people like us, who have gone before us in evolution. Together forming the Spiritual Hierarchy, they are the custodians of the Divine Plan for this planet. They have inspired all the great human achievements, working from behind the scenes through their disciples in every field of endeavor. The Masters guide and teach, but it is humanity itself, responding of its own free will to their stimulus, which creates each new civilization.

Today, the Masters are returning to the outer world as a group for the first time in countless millennia.

The existence of the Masters of Wisdom was first disclosed to the West by H. P. Blavatsky as early as 1875. Since then others have come forward with further insights into their lives and teachings. Foremost among these is Alice A. Bailey who, in collaboration with one of the Masters, published nineteen books in the first half of the 20th century about the 'Ageless Wisdom' and the science of energies that underlie all life.

The Ageless Wisdom Teachings

From ancient times, a body of spiritual teaching known as the Ageless Wisdom has been handed down from generation to generation. A systematic and comprehensive account of the evolution of consciousness in man and nature, it describes how the universe came to exist, how it operates, and man's place within it.

The Ageless Wisdom has provided the inspiration for the arts and sciences throughout the ages and is also the common foundation of all the world's religions.
