

## Brotherhood

by the Master —, through Benjamin Creme, 12 May 2010

Without doubt, this is a time of major importance to humanity. The decisions made by men now will decide, in large measure, the whole future of this planet. Future generations will marvel at the apparent ease with which so many today slough off concern for the world's ills: millions starve and die of want in a world blessed with a huge surplus of food; millions more are always hungry and undernourished. Many know this to be true yet do nothing. How can this be? What prevents their action? The basis of this inaction is complacency, the source of all evil in the world. Complacency has its roots in the crime of separation which pulls men apart and prevents the flowering of Brotherhood.

Men soon must realize this truth or perish. Brotherhood is both an idea and the fact of our planetary life. Without the reality of Brotherhood as the basis for all action, man's every effort would come to nothing. When men accept Brotherhood as the essential nature of life, every aspect of our daily living will change for the better. Every manifestation of Brotherhood melts the barriers which form themselves between men, and lead to misunderstanding and distrust. Brotherhood assuages the pain of loss and misfortune. It is a precious gift to be cultivated and nourished. Treasure Brotherhood, it is the key which gives entry to the finest chambers of the heart. We, your Elder Brothers, cherish Brotherhood as Our highest nature, and strive to maintain and strengthen its reality. When men, too, grasp the beneficent truth of Brotherhood, they will realize the beauty which its nature displays, and grasp something of the beauty of divinity itself. Brotherhood is divine as men are divine. It could not be otherwise.

### Profound truth

Men are about to experience a profound truth, an awareness of their essential Being. For most, it will come as an experience of rebirth to a state long lost in the distant past. Each, in his own way, will feel redeemed, made new, cleansed and purified. The joy and beauty of Brotherhood will thrill through their Being, and each will see themselves as a part of that beauty and love.

*The Master —, is a senior member of the Hierarchy (not Maitreya) of the Masters of Wisdom; his name, well-known in esoteric circles, is not yet being revealed for various reasons.*

### about us

Share International Australia is a network of volunteers who work with similar groups worldwide.

Our purpose is to make known information about the emergence of the Spiritual Hierarchy and their concerns. These include realization by humanity of our divine nature; a world at peace; restoration of the environment; sharing of the world's resources; and adequate and appropriate food, housing, healthcare and education for all people.

We are not affiliated with any religious group; we respect the truth at the heart of — and common to — all spiritual traditions.

While the name Maitreya is used by others, their understanding of the World Teacher may not correspond to that presented by Share International.

Anyone presently promoting him - or herself as Maitreya or the World Teacher is definitely not the same individual we refer to.

## Who is Maitreya?

Maitreya (pronounced my-tray-uh) is the personal name of the Head of the Spiritual Hierarchy.

He is expected by the world's major religions as the Messiah, Krishna, the Imam Mahdi, Maitreya Buddha, and the Christ. Although the names are different, they all refer to the same individual: Maitreya, the World Teacher.

An Avatar for the new age, He returns as the Teacher and guide for all humanity, religious and non-religious alike. He comes with His group, the Masters of Wisdom. Together, they will inspire humanity to create a brilliant new civilisation based on justice and sharing. He will launch a call to action to save the millions of people who starve to death every year in a world of plenty.

Among Maitreya's recommendations will be a shift in social priorities so that adequate food, housing, clothing, education, and medical care become universal rights. His open mission in the world is about to begin. As Maitreya himself has said: "Soon, now very soon, you will see my face and hear my words."

Maitreya, as he appeared in June 1988 to a crowd in Nairobi, Kenya.

## Maitreya steps forward

*The way prepared by His Herald the 'star', Maitreya, the World Teacher, has given His first interview on American television. Millions have heard Him speak both on TV and the internet.*

### **His open mission has begun.**

*He was introduced not as Maitreya, the World Teacher and Head of our Spiritual Hierarchy, but simply as a man, one of us. In this way He "ensures that men follow and support Him for the truth and sanity of His ideas rather than for His status".*

*He spoke earnestly of the need for peace, achievable only through the creation of justice and the sharing of the world's resources.*

*This is the first of many such interviews which will be given in the USA, Japan, Europe and elsewhere, bringing His message of hope to the world.*

Benjamin Creme made this announcement at his public lecture at Friends House, Euston Road, London, on 14 January 2010.

**Please note:** *Share International has no further details about this interview (date, time, network, etc.), for the following reason: it is very important that everyone has the opportunity to respond to Maitreya because they want for the world what He is advocating — sharing, justice and peace — rather than because they think He may be the World Teacher.*

## UPDATE

Maitreya has now given sixteen interviews. So far, they have all been in the US, on the same television channel, usually accompanied by an internet broadcast. The interviews have occurred at about the same time of day, and last on average for half an hour. He uses the same name each time – not Maitreya but another name which He will use until the Day of Declaration.

## Transmission Meditation

Transmission Meditation is a group service activity which 'steps down' the great spiritual energies that continually stream into our planet. During transmission, the Masters of Wisdom direct these energies from the spiritual planes through the energy centers (chakras) of the group members in a highly scientific manner. This process, which makes the energies more useful to humanity and the other kingdoms in nature, is similar to that of electrical transformers, which step down the power between electrical generators and households.

Transmission Meditation is safe, scientific, non-denominational, and extremely potent. It will not interfere with any other religious or spiritual practice. In fact it will enhance your personal meditation and any other service activities in which you may be engaged. No special expertise in meditation is required in order to transmit energy.

There are more than 600 Transmission groups in 40 countries worldwide meeting on a regular basis.

### The Great Invocation

**From the point of Light within the Mind of God  
Let light stream forth into the minds of men.  
Let Light descend on Earth.**

**From the point of Love within the Heart of God  
Let love stream forth into the hearts of men.  
May Christ return to Earth.**

**From the centre where the Will of God is known  
Let purpose guide the little wills of men  
The purpose which the Masters know and serve.**

**From the centre which we call the race of men  
Let the Plan of Love and Light work out  
And may it seal the door where evil dwells.**

**Let Light and Love and Power restore the Plan on Earth.**

The Great Invocation is an ancient prayer, translated by Hierarchy into modern words. It was used by the Christ for the first time in 1945, at the same time as he announced his decision to emerge into physical contact with humanity. It was released by Him to humanity to enable man himself to invoke the energies which would change our world, and make possible the return of the Christ and Hierarchy. It has been translated into many languages and is used today in almost every country in the world.

The Great Invocation is used at the beginning of Transmission Meditation to invoke or call forth energy, which is then transmitted. It should be said aloud, with the attention focussed on the *ajna* centre between the eyebrows.

## Messages from Maitreya

Between September 1977 and June 1982, British author and lecturer Benjamin Creme received a series of [140 Messages from Maitreya](#), the World Teacher.

These Messages were given during Creme's public lectures in London via a process of mental overshadowing or spiritual telepathy, which is not related to mediumship or channelling.

Through these communications, Maitreya suggests the lines that social change must take, and evokes the desire to share and serve humanity. He also gives hints on how to recognize him and urges people to make known the fact of his presence.

### Message No. 6 October 11, 1977

Good evening, My dear friends.

Once again, I have the pleasure of speaking to you in this way.

Very little time indeed now separates Me from you, in full vision.  
Mankind will see Me very soon.

And, if they follow Me, I shall lead them forward into the future which awaits them:  
a future bathed in the light of Truth, of Harmony, and Love.

My friends, I would ask you to help Me, to take upon yourselves a share of the burden of preparation.

If you can accept that I am here, make known this fact wherever you find a listener.

It may be that you will see Me without knowing Me.  
It may be that you will walk the other way.

But, if this be so, you will forfeit a treasure unlike that which you might build in a thousand lifetimes.

Make it your task to tell men that I am here, that I am working for them, for their future, for the future of all men and all things in the world.

Make known My Presence among you, and be delivered of all that is useless in the past.

Make known My Presence, and be assured that My Love will flow through you and light a path before you for your brothers and sisters.  
Do this work and help them and Me.

My task is but beginning.

When completed, I shall look back on this time as one of kindling Light in the hearts of the few who sought to serve their brothers.

May you be one of them.

My heartfelt Love flows to you all.

May the Divine Light and Love and Power of the One God be now manifest within your hearts and minds.

May this manifestation lead you to seek That which lies hidden but ever ready to shine forth.

Find That and know God.

## A New Civilization Begins – An Interview with Benjamin Creme

*For over thirty years, author, artist and esotericist, Benjamin Creme has been educating public audiences about the Emergence of Maitreya, the World Teacher and a group of advanced men, known in the East as the Masters of Wisdom. Mr. Creme maintains that Maitreya, the head of our planetary Spiritual Hierarchy, is now in the modern world. With Maitreya's guidance, humanity has the unique opportunity to create a brilliant new civilization like none the world has ever seen – based upon sharing and justice, brotherhood and peace.*

**Creations Magazine:** Mr. Creme, you've written books and lectured internationally about an extraordinary and challenging message. You've stated that Maitreya, the World Teacher for this age, has been in the world since 1977 to help us solve the problems threatening our civilization. Is that the major reason for his coming?

**Benjamin Creme:** It's one of the most immediate. The real purpose of his coming is that the group of which he is the head, the spiritual hierarchy of our planet, is making their own return to the world for the first time in about 95,000 years. It's impossible, at the same time, for him and his group to come into the world without having an extraordinary impact on humanity; so he comes also as the World Teacher, called into the world by humanity itself. Throughout the wars, from 1914 to 1945, the pain and suffering of humanity sent up a great cry for help to God, to Cosmos, to whoever was listening, and as the Lord of Love, the embodiment of the Christ principle on this planet, Lord Maitreya has responded. So his coming into the world isn't just for one or two simple reasons, but a whole complex of reasons.

**CM:** Do you agree with the fearful predictions about the end of the age?

**BC:** Oh, absolutely not! They are the very opposite of what is going to happen. Gradually we will put into place a new civilization based on order, harmony, and on right human relationships, which is the reflection of ourselves as souls. Maitreya comes as the leader of the kingdom of souls.

**CM:** Do you think that the emergence of Maitreya will take place in 2012 at the end of the Mayan Calendar or before that?

**BC:** The emergence of Maitreya has already begun by His giving [recent] interviews on television. His emergence is not related to or dependent upon the Mayan Calendar which ends in 2012. It has no relation to it whatever. Maitreya will declare Himself openly to the world when sufficient of humanity has responded to His message for justice, peace and sharing, and are bringing these into effect.

**CM:** How many people now are ready to follow the ideas of Maitreya?

**BC:** Roughly 1.8 billion.

**CM:** What will Maitreya's role be, and what will humanity's responsibility be in bringing about these changes?

**BC:** Maitreya is the teacher. Nothing which he does, thinks, or plans will be imposed on humanity. But he is a world teacher, and his influence will pervade every aspect of our being. The Masters also are specialists in various fields; they will simply enunciate the needs, and galvanize the forces of humanity with their energy. They have trained a large body of disciples, and the world is full of well-meaning, idealistic, well-intentioned, and extremely knowledgeable people. We have to change into a sustainable economy, simplify our lives so all people can live – eventually in total abundance – but with right relationship, not ruining the planet at the expense of future generations, which is what we're doing now. Already, according to my Master, pollution is the number one killer in the world today.

**CM:** Is there any relationship between the UFO phenomenon (extraterrestrial beings) and the Masters of Wisdom?

**BC:** All the planets of our system are populated (although not at the same dense-physical level as on Earth). Each planet has its own Hierarchy of Masters, all of whom (including ours) are in contact with each other. The large majority of the UFOs we see come from Mars and Venus. They are of subtle, etheric, not dense physical, matter and can lower the vibrational rate of that matter until it comes within the range of our sight, so for a limited period they are visible. Their technology is thousands of years ahead of ours at the present time, but when we have the new Technology of Light, which will be as soon as the planet settles down, the principle of sharing is governing and there are no wars, the Technology of Light will give us all the energy we need directly from the sun.

## Books by Benjamin Creme

Since 1980, Benjamin Creme has published 14 inspiring and provocative books, painting an ever more detailed picture of humanity's destiny, both worldly and spiritually. "We are talking about nothing less than the total transformation of every aspect of our lives", he says. Each book covers a vast range of topics: from meditation and the growth of consciousness to political and economic change; from initiation and group work to ecology and world service. Compelling explanations are offered for the ever-increasing 'miraculous' or unexplained phenomena such as weeping Madonnas, crosses of light, healing waters, crop circles and UFOs.

### The Gathering of the Forces of Light: UFOs and their Spiritual Mission

240 pages, with 8 pages of colour photos (2010)

This is a book about UFOs, but with a difference. It is written by someone who has worked with them and knows about them from the inside. Benjamin Creme sees the presence of UFOs as planned and of immense value for the people of Earth.

According to Creme, the UFOs and the people in them are engaged in a spiritual mission to ease humanity's lot and to save this planet from further and faster destruction. Our own planetary Hierarchy, led by Maitreya, the World Teacher, now living among us, works tirelessly with our Space Brothers and Sisters in a fraternal enterprise to restore sanity to this Earth.

Creme shows how all the planets in our solar system are inhabited, but on physical levels beyond human sight, the so-called etheric planes. The spacecraft are constructed on the same principle; they too are in etheric matter and have complete control of energies in space. Our Space Brothers are responsible not only for crop circles, but also for preparing the way on Earth for a new technology of light which will give us unlimited power from the sun. When we banish war for ever and are endeavoring to live in right relationship, that technology will be ours.

For the Spiritual Hierarchy of both our own and the sister planets of our system, right human relationship involves the end of competition and the beginning of an era of co-operation with -- sharing, justice and freedom as its hallmarks.

The book also addresses the emergence of new and more inclusive forms of education, which will be needed as we experience a huge shift in consciousness and a growing awareness of the richness of life ahead, unfettered by the stranglehold of commercialism and the dominance of market forces.

According to the author, the truth will soon be apparent for all to see, awakening humanity to their own divinity and the establishment of the rule of spiritual law on Earth. ([Amazon](#))

## Maitreya's 'Herald'

*"In the very near future, people everywhere will have the opportunity to witness an extraordinary and significant sign, the like of which has been manifested only once before, at the birth of Jesus. Then, according to Christian teaching, a star appeared in the heavens and led three wise men from the East to the birthplace of Jesus. Soon, once again, a star-like luminary of brilliant power will be seen around the world."*

— Benjamin Creme's Master, *Share International magazine*, Jan/Feb 2009.

On 12 December 2008 Share International distributed a [news release](#) announcing that in the very near future a large, bright star would appear in the sky, visible throughout the world, night and day, and that the star heralds the imminent appearance of Maitreya in His first interview on a major US television program.

The 'star' is really one of four enormous spacecraft placed around the world. Since early January 2009, numerous sightings of the 'star' from many parts of the world have been reported on YouTube and television news programmes. Share International magazine has received hundreds of photographs showing the 'star' in a variety of stunning colours and shapes.

The huge spiral manifestation over [Norway in December 2009](#) is an extension of the work of these spacecraft and is irrefutable evidence of their reality. Our information is that further such manifestations are planned for the near future.

### Spiral light seen over Eastern Australia

On June 5, 2010 a spiral light similar to the one seen in Norway, was seen along the east coast of Australia. It was widely reported in the media and many photographs and videos have appeared on the internet.

*It has been confirmed by Benjamin Creme to be Maitreya's 'Star'.*

### Sydney UFO

A UFO was spotted over a busy street in Sydney, Australia, on 21 March 2010. Fiona Hartigan got out of her car on Sunday evening to take a few photographs of the sunset when she spotted a black object in the sky which began to move. "It started off about 800 metres away but it came closer, to about 400 metres, and then two other little round things appeared from this bright orange light above. There was no noise. It was calm and peaceful but it was very weird." Ms Hartigan then saw the main UFO shoot away, with the smaller UFOs speeding off in the opposite direction.

I will be holding an open day Transmission Meditation on the 21st of July, from 7:30 to 9:30pm. The venue will be upstairs at the Berri Barmera Council Chambers, 19 Wilson Street, Berri.

This is a tentative way of gauging the response in a rural area. The next step will be to ask those who attend to continue on a weekly basis.

South Australia have had a busy month. Our advertisements in [Insight](#) and [InnerSelf](#) magazines were repeated. Two regional newspapers, The Barossa Herald and The Recorder in Port Pirie got to know of the Star Sign and Share International.

The Spiral UFO certainly had me in a spin, with emails back and forth. Yes! Very exciting times.
