

Earth transformed

by the Master —, through Benjamin Creme, 13 September 2010

In some twenty years from now, any visitor to Earth would be amazed by the transformation that he would find in every aspect of our lives. The best of the past will have been preserved but a new and vigorous beauty will prevail everywhere, and a new relationship will have been established between people and the environment in which they live. Gone for ever will be the slums and hovels in which millions today eke out a 'living'. A new pride in 'Man' will generate an equal concern for men's leisure and social activities, and lead gradually to a new understanding of man's essential needs. New technology will free countless millions from the drudgery of repetitive work; the demand for knowledge in every field will open wide the doors of colleges, factories and farms alike, and a new enthusiasm for learning will manifest throughout the world. Thus will men understand better the underlying purposes of our incarnational experiences and so will grow the needed control of our physical, astral and mental equipment. This will lead men to the door of Initiation and thus to perfectionment.

Thus will men return anew to the age-old Path to Perfection and, freed from the glammers and errors of the past, tread once more the way of sacrifice, of renunciation of all that hinders the highest understanding and light. Man has strayed far from this simple path, sidetracked by a gross materialism which has lured him to the very edge of disaster. But, as men will find, their eternal divinity has, once more, asserted itself and drawn man back from the brink.

A growing number of people, everywhere, are beginning to sense this to be true, and to awaken to the task of transformation. In this way, they find their own sense of responsibility enhanced, and respond accordingly. Thus are the workers of the future found and thus too does the world change for the better.

Steadily

Quietly as yet, but steadily, does Maitreya work to potentize this process. His beneficent energies act like yeast to raise the aspiration and strengthen the resolve of all who can respond. These are many, and so is built a great army of workers in the light, the light that will transform the world and ensure the future for all men.

The Master —, is a senior member of the Hierarchy of the Masters of Wisdom; his name, well-known in esoteric circles, is not yet being revealed for various reasons.

Reprinted from *Share International* magazine, October 2010.

about us

Share International Australia is a network of volunteers who work with similar groups worldwide.

Our purpose is to make known information about the emergence of the Spiritual Hierarchy and their concerns. These include realization by humanity of our divine nature; a world at peace; restoration of the environment; sharing of the world's resources; and adequate and appropriate food, housing, healthcare and education for all people.

We are not affiliated with any religious group; we respect the truth at the heart of — and common to — all spiritual traditions.

While the name Maitreya is used by others, their understanding of the World Teacher may not correspond to that presented by Share International.

Anyone presently promoting him - or herself as Maitreya or the World Teacher is definitely not the same individual we refer to.

Who is Maitreya?

Maitreya (pronounced my-tray-uh) is the personal name of the Head of the Spiritual Hierarchy.

He is expected by the world's major religions as the Messiah, Krishna, the Imam Mahdi, Maitreya Buddha, and the Christ. Although the names are different, they all refer to the same individual: Maitreya, the World Teacher.

An Avatar for the new age, He returns as the Teacher and guide for all humanity, religious and non-religious alike. He comes with His group, the Masters of Wisdom. Together, they will inspire humanity to create a brilliant new civilisation based on justice and sharing. He will launch a call to action to save the millions of people who starve to death every year in a world of plenty.

Among Maitreya's recommendations will be a shift in social priorities so that adequate food, housing, clothing, education, and medical care become universal rights. His open mission in the world is about to begin. As Maitreya himself has said: "Soon, now very soon, you will see my face and hear my words."

Maitreya steps forward

Maitreya has now given twenty-eight television interviews—so far, all in the US. He uses the same name each time – not Maitreya but another name which He will use until the Day of Declaration.

Maitreya, as he appeared in June 1988 to a crowd in Nairobi, Kenya.

A Prayer for the New Age

I am the creator of the universe.
 I am the father and mother of the universe.
 Everything comes from me.
 Everything shall return to me.
 Mind, spirit and body are my temples,
 for the self to realize in them
 My supreme being and becoming.

A Prayer for the New Age, given by Maitreya the Christ, is a great mantram or affirmation with an invocative effect. Using this prayer will enable one to recognize that man and God are one, that there is no separation. The 'I' is the Divine Principle behind all creation. The Self emanates from, and is identical to, the Divine Principle.

The most effective way to use this mantram is to say or think the words with focused will, the attention at the ajna center between the eyebrows. When the mind grasps the meaning of the concept and, simultaneously, the will is brought to bear, then those concepts will be activated and the mantram will work. If it is said seriously every day, there will grow inside you a realization of your true Self.

If repeated daily, the prayer will gradually confer an awareness of the Self. That awareness eventually develops into Self-realization, which is perfection.

Transmission Meditation

Transmission Meditation is a group service activity which 'steps down' the great spiritual energies that continually stream into our planet. During transmission, the Masters of Wisdom direct these energies from the spiritual planes through the energy centers (chakras) of the group members in a highly scientific manner. This process, which makes the energies more useful to humanity and the other kingdoms in nature, is similar to that of electrical transformers, which step down the power between electrical generators and households.

Transmission Meditation is safe, scientific, non-denominational, and extremely potent. It will not interfere with any other religious or spiritual practice. In fact it will enhance your personal meditation and any other service activities in which you may be engaged. No special expertise in meditation is required in order to transmit energy.

There are more than 600 Transmission groups in 40 countries worldwide meeting on a regular basis.

The Great Invocation

From the point of Light within the Mind of God
Let light stream forth into the minds of men.
Let Light descend on Earth.

From the point of Love within the Heart of God
Let love stream forth into the hearts of men.
May Christ return to Earth.

From the centre where the Will of God is known
Let purpose guide the little wills of men
The purpose which the Masters know and serve.

From the centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.

The Great Invocation is an ancient prayer, translated by Hierarchy into modern words. It was used by the Christ for the first time in 1945, at the same time as he announced his decision to emerge into physical contact with humanity. It was released by Him to humanity to enable man himself to invoke the energies which would change our world, and make possible the return of the Christ and Hierarchy. It has been translated into many languages and is used today in almost every country in the world.

The Great Invocation is used at the beginning of Transmission Meditation to invoke or call forth energy, which is then transmitted. It should be said aloud, with the attention focussed on the *ajna* centre between the eyebrows.

Messages from Maitreya

Between September 1977 and June 1982, British author and lecturer Benjamin Creme received a series of [140 Messages from Maitreya](#), the World Teacher.

These Messages were given during Creme's public lectures in London via a process of mental overshadowing or spiritual telepathy, which is not related to mediumship or channelling.

Through these communications, Maitreya suggests the lines that social change must take, and evokes the desire to share and serve humanity. He also gives hints on how to recognize him and urges people to make known the fact of his presence.

Message No. 9

November 3, 1977

Good evening, My dear friends.

I am happy to be with you once more in this fashion, and to tell you that My Return in full vision will not be long delayed.

Full well do I know the problems which beset mankind.

Full well do I see the changes required.

But also I see in man the desire to know, to lift his consciousness, and to see through the clouds.

It is this urge to know which is man's great gift.

When men know the Way to God, this gift will flower in creative magnificence.

My purpose tonight is to tell you that My Masters are with you already, are guiding and magnetising the work of Their groups.

It may be that you yourselves will soon find this stimulus, recognise it for what it is, and seek to help the Plan.

My Army of Light is assembled, is ready.

Banners flying, eyes uplifted, they march forward into the future, into the light which beckons, and in that light shall they see Light.

Many there are who doubt My Presence.

This is natural; men are blind.

But soon there will be no gainsaying.

My efforts will show men that the wheel turns, that soon the New Time, the New World, will have commenced.

May it be that you will share in this work.

My Blessings are upon you all.

May the Divine Light and Love and Power of the One and Holy God be now manifest within your hearts and minds.

May this manifestation lead you to seek and to find That which dwells ever within you.

Know That as the Self, and make It manifest.

The Space Brothers

An unusual human-like figure was seen in the background of a news story broadcast live on Argentina's Channel Two television on 8 August 2010. Filmed in Santa Cruz, Argentina, the figure, who some believe to be an extraterrestrial, was seen walking towards the person being interviewed. The camera crew who filmed the story, as well as viewers who recorded the programme, state that the image could not have been tampered with because it was a live broadcast.

Benjamin Creme's Master confirms that the 'figure' was a space person from a Martian spaceship which had landed in the vicinity.

Australian miracle baby

A stillborn baby boy has been brought back to life after two hours of cuddling from his mother.

In March, 2010, Jamie Ogg was delivered prematurely with twin sister Emily at a hospital in Sydney, at only 27 weeks' gestation and weighing 2lbs. He showed no signs of life, and doctors gave him to his parents, Kate and David Ogg, so that they could say goodbye. Kate unwrapped the baby's blankets and placed him on her chest, against her skin. She and her husband David cuddled and talked to the lifeless baby, and after two hours Jamie began to gasp. At first doctors said that it was a "reflex", but the baby began gasping more often.

Kate Ogg decided what happened: "I thought, "Oh my God, what's going on?" A short time later he opened his eyes. It was a miracle. I told my mum, who was there, that he was still alive. Then he held out his hand and grabbed my finger. He opened his eyes and moved his head from side to side."

Benjamin Creme's Master confirms that the Master Jesus miraculously brought Jamie Ogg back to life.

– Share International magazine, October 2010.

*These are a couple of small items from the latest issue of **Share International magazine**.*

Share International covers news, events, and comments bearing on the priorities of Maitreya, the World Teacher: an adequate supply of the right food; appropriate housing for all; health care and education as universal rights; and the maintenance of ecological balance in the world.

The magazine brings together two major directions of contemporary thought — the political and the spiritual. It shows the synthesis underlying the political, social, economic and spiritual changes now occurring on a worldwide scale and seeks to stimulate practical action to rebuild our world along more just and compassionate lines.

The magazine is published monthly, except bimonthly in January/February and July/August of each year.

The cost of the subscription is kept as low as possible, and the magazine is not subsidised by advertisements.

The magazine is inspiring and informative and well worth the price, especially with current exchange rates.

See subscription information on last page.
