

Men awaken to Maitreya

by the Master —, through Benjamin Creme, 11 April 2010

From now, men will take more seriously the idea that help is at hand, that they are not alone, not without aid in their grief and helplessness. Recent events have brought again to humanity the hope that, at the point of their greatest need, when they had all but relinquished hope of succour, somehow their prayers would be answered and their pain assuaged. So potent has been the response to the essence of Maitreya's words, however quietly or obliquely uttered, that many already feel heartened and reassured that all will be well, that the future for men will be just and kind, even better than they dared to hope. Many are already beginning to doubt that this man is really 'one of us', but is someone sent from above to answer their call for help, and to ease their burden. Many, doubtless, find His words unhelpful and obstructive to their desires, but many more, by far, sense the simple truth of His ideas, and await eagerly their fruition. Thus, quietly and steadily does Maitreya aid the plight of men. Some have already recognized Him and pray to Him. Others are glad to hear aloud the answers to their many problems and await the opportunity to play a part in their solution.

Echo

Thus do the simple words of Maitreya echo through the world. Thus do they awaken in men the hope of renewal. Where enough men are so awakened and ready for change Maitreya will increase the tempo and energy of His delivery and galvanize millions to call for action on their own behalf. Men must understand that action must come from themselves, else nothing new can happen. Where men realize this they will act, spontaneously and with hearts ablaze with hope. So will it be, and so will men fulfil their destiny and create the better framework for the new age which opens before them.

Beginning

Maitreya is at the beginning only of His task to guide men into right relationship; but already He finds that His words encourage, and soon will galvanize, millions to act and claim their destiny, not through revolution but through revelation of their own divinity.

The Master —, is a senior member of the Hierarchy (not Maitreya) of the Masters of Wisdom; his name, well-known in esoteric circles, is not yet being revealed for various reasons.

about us

Share International Australia is a network of volunteers who work with similar groups worldwide.

Our purpose is to make known information about the emergence of the Spiritual Hierarchy and their concerns. These include realization by humanity of our divine nature; a world at peace; restoration of the environment; sharing of the world's resources; and adequate and appropriate food, housing, healthcare and education for all people.

We are not affiliated with any religious group; we respect the truth at the heart of — and common to — all spiritual traditions.

While the name Maitreya is used by others, their understanding of the World Teacher may not correspond to that presented by Share International.

Anyone presently promoting him - or herself as Maitreya or the World Teacher is definitely not the same individual we refer to.

Messages from Maitreya

Between September 1977 and June 1982, British author and lecturer Benjamin Creme received a series of [140 Messages from Maitreya](#), the World Teacher.

These Messages were given during Creme's public lectures in London via a process of mental overshadowing or spiritual telepathy, which is not related to mediumship or channelling.

Through these communications, Maitreya suggests the lines that social change must take, and evokes the desire to share and serve humanity. He also gives hints on how to recognize him and urges people to make known the fact of his presence.

Message No. 5

October 4, 1977

Good evening, My dear friends.

I am pleased indeed to have this further opportunity to speak to you in this way.

My aim is to make known My Presence in the world at the earliest possible moment, and so begin My Work in the full light of day.

This will mean strenuous work by those who now accept that I am among you.

Make known to all that I am here, and pave smooth My path.

My plan is to release into the world a certain Teaching, which will show men that there exists a new approach to living, a new way forward into the future time.

May you be among the first to recognise Me, and through you I may work.

Take upon yourselves this task.

There is none higher which you could do in this life.

Commit yourself to this work and serve your brothers.

I am desirous that the world should know of My Presence, should quickly accept Me, and, hopefully, follow My lead.

I am sure that you will not fail Me.

I am certain that you will not reject this privilege, this gift of service; but will willingly take it upon your shoulders, to ease the burden of My Task.

My Blessings are upon you all.

May the Divine Light and Love and Power of the One God be now manifest within your hearts and minds.

May this manifestation lead you to know that God dwells ever within you.

Find That and make It manifest.

Who is Maitreya?

Maitreya (pronounced my-tray-uh) is the personal name of the Head of the Spiritual Hierarchy.

He is expected by the world's major religions as the Messiah, Krishna, the Imam Mahdi, Maitreya Buddha, and the Christ. Although the names are different, they all refer to the same individual: Maitreya, the World Teacher.

An Avatar for the new age, He returns as the Teacher and guide for all humanity, religious and non-religious alike. He comes with His group, the Masters of Wisdom. Together, they will inspire humanity to create a brilliant new civilisation based on justice and sharing. He will launch a call to action to save the millions of people who starve to death every year in a world of plenty.

Among Maitreya's recommendations will be a shift in social priorities so that adequate food, housing, clothing, education, and medical care become universal rights. His open mission in the world is about to begin. As Maitreya himself has said: "Soon, now very soon, you will see my face and hear my words."

Maitreya, as he appeared in June 1988 to a crowd in Nairobi, Kenya.

Maitreya steps forward

The way prepared by His Herald the 'star', Maitreya, the World Teacher, has given His first interview on American television. Millions have heard Him speak both on TV and the internet.

His open mission has begun.

He was introduced not as Maitreya, the World Teacher and Head of our Spiritual Hierarchy, but simply as a man, one of us. In this way He "ensures that men follow and support Him for the truth and sanity of His ideas rather than for His status".

He spoke earnestly of the need for peace, achievable only through the creation of justice and the sharing of the world's resources.

This is the first of many such interviews which will be given in the USA, Japan, Europe and elsewhere, bringing His message of hope to the world.

Benjamin Creme made this announcement at his public lecture at Friends House, Euston Road, London, on 14 January 2010.

Please note: *Share International has no further details about this interview (date, time, network, etc.), for the following reason: it is very important that everyone has the opportunity to respond to Maitreya because they want for the world what He is advocating — sharing, justice and peace — rather than because they think He may be the World Teacher.*

UPDATE

Maitreya has now given eleven interviews. So far, they have all been in the US, on the same television channel, usually accompanied by an internet broadcast. The interviews have occurred at about the same time of day, and last on average for half an hour.

World Invocation Day — Thursday May 27, 2010

World Invocation Day is a world day of prayer and meditation when men and women of every spiritual path join in a universal appeal to divinity and use the Great Invocation. Together they focus the invocative demand of humanity for the light, the love and the spiritual direction needed to build a world of justice, unity and peace.

As we begin the new millennium, we face the fact that materialistic values have led humanity to a state of profound crisis. Our very survival is threatened, not only by militarism, but by our lack of wisdom and will to feed the hungry, to share our plentiful resources, and to solve the many other critical problems which confront the human family.

Yet the solution exists. One of the greatest insights of our time is that of the interdependence and interrelatedness of all life. Today millions of people share the conviction of an inner spiritual unity within humanity which transcends any outer differences of race, nation and creed. As men and women of goodwill the world over give expression to this conviction in their lives, a process of planetary transformation is taking place. A new civilisation is emerging which embraces all peoples and is founded upon the recognition of our common humanity and right human relations.

The world's problems are of humanity's making and they are for humanity to solve. But the essence of the spiritual life lies in knowing that we are not alone. The energies of divinity are abundantly available and, on World Invocation Day, an appeal is made for the release of the energies which will enable humanity to create the new civilisation.

Today the reappearance of the World Teacher is expected by millions, by those of every faith who expect the Avatar under such names as the Christ, the Lord Maitreya, Krishna, Messiah, Imam Mahdi and the Bodhisattva. The use of the Great Invocation is one of humanity's most potent tools in preparing human consciousness for the reappearance of this World Teacher.

To use the Great Invocation is world service for it speaks directly to world need today. We need light to illumine the way ahead and reveal the vision of a new civilisation; we need love to govern the relationships between people and bring to an end the reign of hatred and separatism; we need the power of the will-to-good to direct human choice and decision making. The universal use of the Great Invocation on World Invocation Day charges this day with deep spiritual significance, for it builds a channel through which light, love and power can reach and irradiate the hearts and minds of people everywhere.

Most of the festivals of the major world religions are held in accordance with the lunar calendar. The date of World Invocation Day is also determined in this way. It follows on two months from the Christian Festival of Easter and one month from the Buddhist Festival of Wesak.

Each year, since 1952, people everywhere have celebrated World Invocation Day, joining in the affirmation of the oneness of humanity, the livingness of our relationship to God and the responsibility of humanity for the working out of the divine Plan on earth.

Transmission Meditation

Transmission Meditation is a group service activity which 'steps down' the great spiritual energies that continually stream into our planet. During transmission, the Masters of Wisdom direct these energies from the spiritual planes through the energy centers (chakras) of the group members in a highly scientific manner. This process, which makes the energies more useful to humanity and the other kingdoms in nature, is similar to that of electrical transformers, which step down the power between electrical generators and households.

Transmission Meditation is safe, scientific, non-denominational, and extremely potent. It will not interfere with any other religious or spiritual practice. In fact it will enhance your personal meditation and any other service activities in which you may be engaged. No special expertise in meditation is required in order to transmit energy.

There are more than 600 Transmission groups in 40 countries worldwide meeting on a regular basis.

The Great Invocation

From the point of Light within the Mind of God

Let light stream forth into the minds of men.

Let Light descend on Earth.

From the point of Love within the Heart of God

Let love stream forth into the hearts of men.

May Christ return to Earth.

From the centre where the Will of God is known

Let purpose guide the little wills of men

The purpose which the Masters know and serve.

From the centre which we call the race of men

Let the Plan of Love and Light work out

And may it seal the door where evil dwells.

Let Light and Love and Power restore the Plan on Earth.

The Great Invocation is an ancient prayer, translated by Hierarchy into modern words. It was used by the Christ for the first time in 1945, at the same time as he announced his decision to emerge into physical contact with humanity. It was released by Him to humanity to enable man himself to invoke the energies which would change our world, and make possible the return of the Christ and Hierarchy. It has been translated into many languages and is used today in almost every country in the world.

The Great Invocation is used at the beginning of Transmission Meditation to invoke or call forth energy, which is then transmitted. It should be said aloud, with the attention focussed on the *ajna* centre between the eyebrows.

The Three Major Spiritual Festivals

"The Three Spring Festivals provide a unique opportunity for groups around the world to establish together a potent rhythm. Throughout 24 hours, Hierarchy can link all working groups together into the global network of light which They are constantly creating and potentizing. There is also a powerful psychological factor involved, namely the added stimulus to aspiration and service which the celebration of these Festivals promotes." – Benjamin Creme, "Maitreya's Mission", Vol. III.

According to the Master DK: "...we begin a period of time in the year which initiates the countdown to the Spring Full Moon Festivals. From this time forward to the Spring Festivals, the Masters begin to develop and hold an internal tension which is then released at Festival time, and disciples are encouraged to do the same in cooperation with the Hierarchy, to the best of their abilities."

Easter Festival (Aries)

Friday, April 02 - Saturday, April 03, 2010

The first festival of spring marks a process of rebirth and revitalization. It is celebrated at the full moon in Aries, after the vernal equinox, and usually occurs in April. In the Christian tradition, it is called Easter, the festival of resurrection. It celebrates the risen Christ, but resurrection implies more than the one-time arising from the grave of the physical body. In each minute of each hour, we have the possibility to be born anew, to let go of the past and move on. When old patterns of thought and emotion are discarded, when old habits and beliefs are outgrown and set aside, we are free to meet every new situation unconditionally. Higher energies rush in to fill the place of expectancy that we have created, and the inner light expands. We open to life more abundant and are made new.

The Wesak Festival (Taurus)

Friday, April 30 - Saturday, May 01, 2010

The festival of Wesak occurs at the time of the full moon in Taurus, usually in May. In the East, it commemorates the enlightenment of the Buddha and is widely celebrated. Wesak marks the high-point in the spiritual year, for it is said that at this time each year, the Buddha returns to the physical plane for a brief moment, bringing an inflow of life and spiritual stimulation to vitalize all of humanity. Thousands of pilgrims gather every year in a remote valley in the Himalayas to re-enact an ancient sacred ceremony based on the legend of Wesak, which has to do with the sharing of the waters of life.

Festival of the Christ/The Festival of Goodwill (Gemini)

Friday, May 28 - Saturday, May 29, 2010

This will be the Festival of the spirit of humanity aspiring towards God, seeking conformity with the will of God and dedicated to the expression of right human relations. This will be fixed annually in relation to the Full Moon of June. It will be a day whereon the spiritual and divine nature of mankind will be recognised. On this Festival for two thousand years the Christ has represented humanity and has stood before the Hierarchy and in the sight of Shamballa as the God-Man, the Leader of His people, and "the Eldest in a great family of brothers" (Romans VIII: 29). Each year at that time He has preached the last sermon of the Buddha, before the assembled Hierarchy. This will, therefore, be a festival of deep invocation and appeal, of a basic aspiration towards fellowship, of human and spiritual unity, and will represent the effect in the human consciousness of the work of the Buddha and of the Christ. (The Reappearance of the Christ, pp. 154~157)

Blessings by Maitreya during the Spring Festivals

There will be a Blessing from Maitreya at 3:00 pm (your local time) on:

- ◆ Sunday April 04
- ◆ Sunday May 02
- ◆ Sunday May 30

For the Blessing, hold your attention on the Crown Chakra – the centre at the top of the head – (this is the only time that the attention should be placed on this centre) and sit in silent meditation while the energies flow.

Books by Benjamin Creme

Since 1980, Benjamin Creme has published 14 inspiring and provocative books, painting an ever more detailed picture of humanity's destiny, both worldly and spiritually. "We are talking about nothing less than the total transformation of every aspect of our lives", he says. Each book covers a vast range of topics: from meditation and the growth of consciousness to political and economic change; from initiation and group work to ecology and world service. Compelling explanations are offered for the ever-increasing 'miraculous' or unexplained phenomena such as weeping Madonnas, crosses of light, healing waters, crop circles and UFOs.

Maitreya's Teachings – The Laws of Life

258 pages (2005)

A unique and diverse collection of insights from Maitreya, the World Teacher for the coming age, offering straightforward, non-dogmatic answers to some of our most profound questions about the meaning and purpose of life, including who we really are, how to find joy in everyday existence, and what we can all do to create lasting peace. Also addresses global problems — political, social, and environmental — and forecasts future events, demonstrating how the Laws of Cause and Effect work out on a world scale. The most contemporary phase of teachings given by the head of the group of enlightened Teachers known as the Masters of Wisdom.

We do not have even fragments of the teachings of former World Teachers given prior to certain knowledge of Their existence. We do not have the teachings of a Christ, or a Buddha, or a Krishna, except seen through the eyes of later followers. For the first time we are given the flavour of the thoughts and insights of a Being of immeasurable stature to enable us to understand the path of evolution stretching ahead of us which He has come to outline for us. The impression left in the mind by the Teacher is that the breadth and depth of His knowledge and awareness have no limits; that He is tolerant and wise beyond conception, and of amazing humility.

Few could read from these pages without being changed. To some the extraordinary insights into world events will be of major interest, while to others the laying bare of the secrets of self-realization, the simple description of experienced truth, will be a revelation. To anyone seeking to understand the Laws of Life, these subtle and pregnant insights will take them quickly to the core of Life itself, and provide them with a simple path stretching to the mountain-top. The essential unity of all life is underscored in a clear and meaningful way. Never, it would appear, have the laws by which we live seemed so natural and so unconstraining.

Maitreya's unique stature, His ages-long experience on the evolutionary path, enable Him to present His profound spiritual teachings in the simplest terms, free of all doctrinal 'clutter' and theological dogma. There is no imposition; everyone is left, and encouraged to be freely themselves.

Above all Maitreya teaches the art of Self-realization which is God-realization. "It has nothing to do with religion, politics or any form of ideology." "Anyone, at any stage, can learn the art of Self-realization and find he will enjoy life. Life is to be enjoyed, with detachment."

Local news

A new shipment of books has arrived. Now is the time to stock up, as prices will increase in the near future when Share International begins using a commercial book distributor (*see order form on next page*).

South Australia

The North Adelaide Transmission Meditation group has moved to Fullarton Park. See page four for details. Fourteen people attended the first meeting at the new venue, which is a fantastic turn out.

The Full Moon Meditation was well attended, and the energies stronger than usual, everyone is waiting with baited breath for more news on Maitreya's emergence, and no doubt His interviews are doing their work.

Transmission Meditation is a potent field of service.

I was wondering how we can better get that message out to others.

"Love all, Serve all" is Sai Baba's message. Other than Sai Baba's own meditation, Transmission Meditation is the only Meditation which is allowed in His ashram. This endorsement from an Avatar such as Sai Baba means a great deal and can be used in the promotion of Transmission Meditation.

Transmission Meditation also aligns quite well with Raja Yoga and Kriya Yoga, so these groups can be invited to experience Transmission Meditation.

In the near future, more people will be attracted to this great service. Sometimes we have to make a little effort to make this information more accessible to others. After the day of Declaration this work will be a lot easier, so don't get discouraged by the lack of committed meditators. The soul only wants to serve; once this simple truth is understood, it will be much easier.

Victoria

We held a stall at a spiritual festival at Berwick, with a good response. At the workshop, people showed genuine interest, some returning to the stall for further information. The next festival we will be attending is at the end of the month in Morwell.

Co-workers will be hosting a stand at the Melbourne **MindBodySpirit Festival**, 11–14 June, at the Melbourne Convention and Exhibition Centre, Stand C06 ([Floor plan](#)). See MCEC [Visitor information](#) for parking and public transport information.

The MBS Festivals are major outreach activities. If you are in Melbourne it's a great opportunity to meet co-workers and become more familiar with the Reappearance work.
